

## WeCare Maintenance Plan

RB Heating's WeCare Maintenance Plan is the most comprehensive Furnace and A/C Maintenance plan available.

For one low monthly payment, you will have complete peace of mind. Your heating and cooling system will run efficiently and reliably.

### The WeCare Maintenance Plan includes:

- ✓ Careful inspection of all components
- ✓ Thorough cleaning, adjusting and lubricating
- ✓ Priority status for emergency service
- ✓ No overtime charges
- ✓ 15% discount on repairs
- ✓ Reduced diagnostic fees
- ✓ Security of service from a company you know and trust
- ✓ Professional fully licensed technicians
- ✓ Peace of mind knowing your family will be safe and comfortable
- ✓ Protect your monthly budget and avoid unexpected and expensive repair costs

Selecting low-cost maintenance visits as part of your plan will ensure that you will receive regular preventative maintenance. We will contact you to arrange a time that is convenient.

*We're more than personal climate experts. We're your neighbours, too.*

We've been taking care of homes throughout the Kemptville area since 1992.

As your neighbours, you know we'll go the extra mile to make sure everything is right. It's the kind of care you can only get from someone you might run into at the supermarket or coffee shop later that week.

RB Heating ClimateCare is a family owned and operated company offering fully licensed and qualified technicians around the clock. We guarantee your satisfaction in everything we do – like a neighbour should.

## Protect your investment with regular maintenance.

You have thousands of dollars invested in your heating and cooling equipment.

The best way to protect that investment is with regular maintenance. Like your car, if it's well maintained, your heating and cooling equipment will be safer, run better, use less energy and last longer.

*Our maintenance and protection plans meet or exceed all manufacturers' warranties. We service all makes and models.*

An RB Heating WeCare Maintenance or Protection Plan includes everything that can be done to restore your heating and cooling system to its best possible condition.

## Reliable and energy efficient performance, year-round.

With a WeCare Maintenance or Protection Plan, you can be confident your furnace, boiler, air conditioner, fireplace and other equipment will continue to provide safe and reliable home comfort for years to come. Annual tune-up programs will increase the life of your equipment and can reduce your energy bills up to 10%.

## Keep your home healthy and safe.

Our technicians are fully trained and qualified experts. They know how to keep your home healthy, comfortable, and safe. They can identify potential problems with your heating and cooling systems before they become big ones.
